

Douglas-Ewart High School
School Dress Code and Ordering Arrangements

We take pride in our school and would ask for commitment and support of parents with regard to school dress code for the following reasons:

- pupils need to identify with the school as a community and take pride in it.
- all pupils look and feel equal.
- the school and its pupils have a positive image in our local community.

We hope to promote a positive attitude which may in turn have a positive effect on pupils' overall attitude towards school and learning. Names should appear on every item; no responsibility can be accepted for any losses, breakages or damage to your possessions. The school is only responsible if money and valuables are left in the Office.

The school dress code is

Pullover/sweatshirt: *black*

Shirt /blouse: *white*

School Tie

Trousers: *black or grey*

Skirt: *black or grey*

Shoes: *black*

Some items of clothing are not appropriate for school and may cause offence to others. The wearing of football colours is forbidden and clothes advertising commercial companies discouraged and forbidden if offence is caused. Pupils may be sent home if not appropriately dressed for school.

At a meeting of the Parent Council on 12th January 2015, it was decided to return to Border Embroideries as the preferred supplier for embroidered items of Dress Code. This decision was made following some parental concerns relating to quality and ordering through the previous supplier.

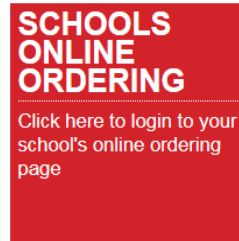

Various embroidered items are now available for ordering on-line from Border Embroideries. Instructions are noted below. Orders placed can either be delivered to the School free of charge or direct to your home for a small fee of £4.99. Orders placed, for School delivery will be given to pupils to bring home.

Order forms are available from the School Office for any parent/carer who does not have online access or the ability to pay electronically.
